

**TME/RP/APM
Weekly TAG Call
April 30th, 2014**

- I. TME, RP, and APM specifications are in full production mode
- II. TME and RP data filings due tomorrow (May 1st)
- III. TME and RP range checks were removed yesterday, so the new specifications go into effect for files submitted today
- IV. Reminder: APM file is due May 15th
- V. Payer Questions
 - a. Aetna: When will payers be able to download the CFO data certification form?
 - i. Answer: When a file is submitted with no errors, the last page of the error report will contain the CFO certification.
 - b. Cigna: Should files be submitted as “P” (Production)?
 - i. Answer: Yes, files can now be submitted as Production.
 - c. When will TAG calls begin for the two data submissions due in November (PPM and Network Average Dollar)?
 - i. CHIA will begin reaching out to payers about PPM and Network Average Dollar filings in August, and TAG calls will likely start in September
